## What's New

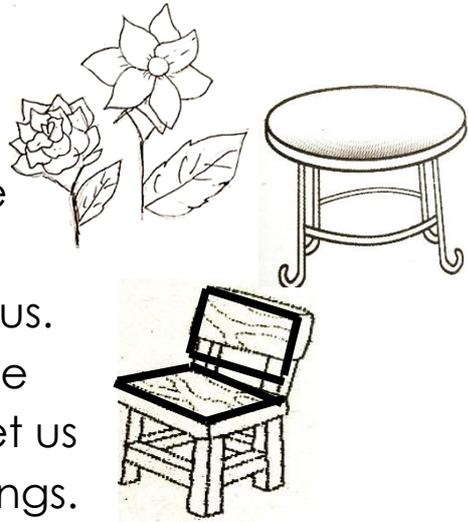

You enjoyed answering the activity above, now you will surely enjoy reading the story about Friendly Trees.

### Friendly Trees

Many trees give us fruits to eat. Some of these are mango, santol, and durian. Others are caimito, mabolo, duhat, and chico. These fruits taste good. They make us healthy and strong, too.

Some trees have pretty flowers. They come in many colors-red, white, yellow, and violet. Trees give us wood. Wood can be made into chairs, tables, desks, and cabinets. Wood is all around us. We find it at home, in school, in the playground, and in the church. Let us plant trees. Trees give us many things.

The color of the flowers are white.  
 The shape of the table is round.  
 The shape of the chair is square.

## What is it
