FROM THE AMERICAN PEOPLE

09 July 2024

Ms. LIZA R. TABILON, EdD, CESO V
Schools Division Superintendent
Dipolog City

Dear **Ms. Tabilon**,

Greetings from USAID's ReachHealth Project! We would like to express our sincerest gratitude for our fruitful partnership and cooperation since we started in January 2019. In particular, we truly appreciate the partnership in developing and implementing scaled-up interventions, aimed at improving adolescent youth services and strengthening efforts towards the implementation of the CSE-ARH program. Including our support and partnership during the Covid-19 pandemic.

As the USAID's ReachHealth project comes to its end, part of the process of our end of project data collection is the conduct of Focus Group Discussion (FGD) with our partners to gain insight on the support provided and how this has aided the organization and how this support can be further enhanced moving forward.

In this connection, we would like to ask for your permission and endorsement to participate in the Focus Group Discussion (FGD) the following: Mr. Joselito Tizon, Ms. Jesel B. Chiu and Ms. Jan Rina Bitancor. The FGD will be on July 18, 2024 and we will coordinate if this will be done virtually or face to face. We also conducted a peer navigators training last April 2-4, 2024 and we would also like to request for 6 students who participated in the said training to participate in a separate FGD session. The result of the FGD will be treated with utmost care and confidentiality and will be used solely for the purpose of putting a more wholistic context to our end of project report for our support and partnership with the City of Dipolog.

Thank you very much to your valued support through the years and more power to you and your office. We are looking forward to more fruitful interactions with you as our valued implementing partner into the next USAID Project!

Respectfully yours,

Froilan A. Morales
Senior Technical Officer for Zamboanga Peninsula
USAID RTI ReachHealth Project
