Office of the Schools Division Superintendent
Dipolog City Division

Dear Dr. Tabilon,

My name is Zorayda G. Daarol (Manuel Resort and Zorayda Lending Services Corporation) and as part of my personal advocacy, I am working with Compass Edutech Innovations Inc, in conducting a free one-day seminar/workshop on **SNED (formerly SPED) Classroom Management** on August 28, 2024 (Wednesday) from 8:00am to 5:00PM at the Grand Ballroom of Manuel Resort. This will be my 2nd seminar/workshop in relation to children with special needs.

This workshop is designed to help special education (SPED) teachers and directors, psychologists, classroom teachers, other professionals in the similar field, and also parents to learn educational modifications, teaching styles, as well as help develop behavioral interventions to help engage our special education students. This workshop will specifically focus on managing a special education classroom the efficient and effective way.

The workshop will include the following topics:

- SPED Education
- Different Diagnoses (Characteristics) of common SPED students (ex. ASD, ADHD, etc.)
- 3 Main Types of SPED Classroom
- SPED Classroom Environment
- SPED Classroom Management (Behavior etc.)
- Accommodation and Modifications
- Life Skills (Transition Program)

In line with this, I would like to extend an invitation to **ten (10) SPED teachers** to join our workshop. The seminar is for free and inclusive of snacks and lunch. The teachers will also be able to bring the workshop materials home.

Should you have any questions or clarifications on this invitation, please do not hesitate to contact me, Zorayda Daarol, at **09209094011**.

We look forward to your active participation and see you at the workshop.

Thank you!

Sincerely,

Zorayda G. Daarol
