Dear SDS Tabilon,

Greetings of Peace!

ChildFund Philippines is appreciative of the established partnership with DepEd Dipolog City Division specially in the implementation of **Education for Protection and Well-being (EPW)** program in Sta. Cruz Elementary School. Last school year is a remarkable start as we have completed the necessary training to equip the educators and caregivers for the series of EPW sessions.

For this school year, EPW program targets to rollout the Socio Emotional Learning (SEL), Self-Protection sessions for grade 3 students and *Miles de Manos* sessions for caregivers and educators. Initial plans for the sessions' integration in the curriculum and LAC sessions already commenced before the previous school year ends. These were necessary steps to ensure seamless implementation of the EPW program this school year.

With this, we would like to schedule meeting on **August 09, 2024** to firm-up schedule of sessions and presentation of EPW integration plan in the curriculum. Target participants for the gathering are our trained teachers/mentors . Below is the draft flow of activities.
