Meanwhile, qualified athletes for individual events shall be trained by their respective divisions under the supervision of their division sports officers. Other selected athletes from different divisions shall participate in modular training while attending their regular classes following the Plan B class program schedule within the designated division. However, it is at the discretion of the host division to adopt qualified athletes from other divisions. All academic performance records shall be forwarded to their respective mother schools within their division.

4. Coaches are encouraged to bring their respective sports equipment, implements, apparatus, and other sports supplies for the training period. Athletes, coaches, and other involved officials must also bring their own dining essentials (plates, lunch boxes, tumblers, spoons, forks, etc.) and sleeping gear (roll mats, blankets, pillows, etc.).

5. To inspire and motivate athletes participating in the national meet, the grades of selected athletes shall either be retained or improved based on their performance in assessments during the training period; however, their grades shall not be lowered or marked as failing. Graduating pupils, students, and candidates for honors may be given an advanced test before reporting to the training venue.

6. To achieve this, the Regional Office implements the Sports Scholarship Program. As stated in Rule IV, Section 15 of RA 10588, incentives are provided to host LGUs and participating schools, particularly in items 3 and 4 on page 9. These incentives include training and scholarship grants for coaches to enhance school sports programs, as well as opportunities for teacher-coaches, trainers, and officiating officials to participate in sports-related courses, further improving their skills and competitiveness.

7. Merit rewards for promotion and position reclassification will be prioritized for champion coaches during the 2025 Palarong Pambansa. To support this process, pertinent documents such as the Equivalents Record Form (ERF), updated Service Records, and other relevant supporting documents must be submitted to the respective Division Offices. These documents will serve as the basis for evaluation and/or action regarding the reclassification. Final approval will be made by the DepEd Regional Office IX.

8. Service credits shall be granted to coaches and chaperones for services rendered on Saturdays, Sundays, and holidays. Similarly, all DepEd officials, Regional and Division Sports Officers/Coordinators, and staff may avail of Compensatory Time-Off (CTO) credits.
