TO: Public Schools District Supervisors
Elementary and Secondary School Heads
All Others Concerned

**UPDATING OF LEARNER INFORMATION SYSTEM (LIS) – END OF
SCHOOL YEAR 2024-2025**

1. In support of the Department of Education's continuing efforts to provide accessible, equitable, and quality education to every Filipino learner, the collection and submission of accurate, relevant, and timely data remain vital components of effective governance and policy implementation.
2. Accordingly, all public and private elementary and secondary schools, including State and Local Universities and Colleges (SUCs/LUCs) offering basic education programs, are hereby directed to update the **End-of-School-Year (EOSY) Status** of their learners in the **Learner Information System (LIS)**. The system will be open for EOSY Status updating from **March 26, 2025 to May 31, 2025**.
3. To further improve the tracking of learners' status and enhance data quality, several updates in the LIS have been deployed. The following key changes shall be observed:
 - a. In the **Senior High School Module**, the field "**Exit Choice**" is now a **mandatory** data entry.
 - b. The status "**No longer participating in learning activities**" has been renamed to "**No longer in school.**"
 - c. The exit reason "**Death**" has been updated to "**Deceased.**"

These system enhancements aim to refine data description, promote consistency across schools, and minimize data-related issues. All school heads are reminded to ensure the accuracy and completeness of the submitted data to uphold the integrity of DepEd's learner information systems.

4. For guidance and strict compliance.
