To: Assistant Schools Division Superintendent
Chief Education Supervisors (CID and SGOD)
Education Program Supervisors
Public Schools District Supervisors
Public Elementary School Heads
Public Secondary School Heads
All Others Concerned

1. The 2025 Summer Programs are strategically designed to align with and support the objectives of the Academic Recovery and Accessible Learning (ARAL) Program. Among these initiatives is the **Summer Academic Remedial Program (SARP)**, which aims to help learners achieve the required grade-level competencies and prepare them for advancement to the next grade level. The program will run for four weeks, from **May 12 to June 6, 2025**, on weekdays (Monday to Friday).
2. In light of class interruptions due to scheduled holidays and unforeseen suspensions during the 20-day remedial period, necessary adjustments must be made to ensure the continuous and effective implementation of the program and the proper delivery of all expected outputs.
3. The table below shows a summary of the affected dates and their corresponding make-up class days:

Affected Days	Reason	Make-up Class Days
May 12, 2025	National Midterm Election	June 9, 2025
June 6, 2025	Muslim Holiday / Zamboanga del Norte Founding Anniversary	June 10, 2025

4. To compensate for these disruptions, schools may also adopt alternative delivery modes such as take-home exercises, virtual or online sessions, or modular learning materials.
5. School heads are directed to coordinate closely with teachers, parents, and guardians to facilitate the extension of remedial sessions, ensuring that proper consent is obtained from parents or guardians.
