**"LAUNCH OF THE OFFICIAL FACEBOOK PAGE FOR THE DISASTER RISK
REDUCTION AND MANAGEMENT SERVICE (DRRMS) OF DEPED DIPOLOG"**

This Office is pleased to announce the official launch of the **Disaster Risk Reduction and Management Service (DRRMS) - DepEd Dipolog** Facebook Page, which serves as the primary communications arm of the DRRMS in the digital space.

PAGE DESCRIPTION AND FUNCTIONS:

The official Facebook page will serve multiple critical functions in support of our disaster risk reduction and management initiatives:

- 1. Information Education Campaigns** - The page will disseminate vital educational content on disaster preparedness, risk reduction strategies, and emergency response protocols to help our school communities build resilience against natural and man-made hazards.
- 2. Official Communications Hub** - All official notices, advisories, and memoranda from the DRRMS will be published through this platform, ensuring timely and accurate information reaches all stakeholders including school administrators, teachers, students, parents, and the general public.
- 3. Event Documentation** - The page will maintain a comprehensive record of DRRMS activities, programs, and projects through photos, videos, and detailed reports, creating a valuable repository of our disaster risk reduction efforts and achievements.
- 4. Community Engagement** - The platform will facilitate two-way communication, allowing schools and communities to report concerns, seek assistance, and participate in DRRMS initiatives more effectively.

All DepEd personnel, schools, and stakeholders are encouraged to **FOLLOW** and **ENGAGE** with the official page to stay updated on the latest DRRMS initiatives and emergency protocols.
