1. To formally kick off our engagement with ChildFund Philippines Foundation Inc. and the Academy of Entrepreneurs (AE) in Australia, we will implement the BossYourFuture GreenPreneurship Program. This initiative aims to empower Senior High School learners with entrepreneurial skills focused on sustainability and environmental responsibility. The program will include all seven (7) secondary schools offering the ABM strand, which will serve as beneficiaries of the initiative.
2. **School heads are requested to ensure the active participation of the listed 23 teachers, who are expected to attend and complete the ten (10) module sessions of the program.** These sessions will serve as their weekly guide in facilitating learning for our SHS learners. The sessions will begin on **July 25 to October 02, 2025, from 3:30 p.m. to 4:30 p.m.** and may extend up to 5:00 p.m. depending on the pacing of the teacher-participants, via online platform.
3. School Heads and Teachers must ensure the continuous and uninterrupted learning of all learners. The list of participating teachers and the detailed session schedule are attached for your reference and guidance.
4. A representative from AE will facilitate the program launching on **July 30, 2025, at 2:00 p.m.** The venue or details will be provided in a separate advisory.
5. For any concerns or clarifications, you may contact EPS Edgardo S. Cabalida or our Social Mobilization and Networking personnel.
6. For your information, guidance, and compliance.
