## CALL FOR PAPERS FOR ORAL AND POSTER PRESENTATIONS: 2025 INTERNATIONAL CHEMISTRY EDUCATION CONFERENCE

The 2025 International Chemistry Education Conference (2025ICEC) is now accepting submissions for **oral** and **poster** presentations. Building on the success of last year's conference, PACT-Zamboanga Peninsula Chapter Inc. aims to bring together researchers, scholars, and practitioners from various disciplines to share innovative research, foster interdisciplinary dialogue, and explore new opportunities for collaboration in higher education. The conference provides an ideal platform to present research findings, engage in meaningful discussions, and establish academic partnerships across fields.

The theme of the conference is "*Expanding Horizons in Chemistry: Global Collaboration for Future Innovation*." The conference provides an ideal platform to present and discuss research outputs in various fields. We have a limited number of slots, so we encourage interested authors to submit their papers as soon as possible. You may submit your entry by clicking the button below.

### Submission Guidelines

All abstract submissions must be **original work** that has not been presented elsewhere or submitted to other conferences. **Exemption is granted if the work was part of a thesis or dissertation.** All submissions will go through a peer-review process based on the work's originality, format, scientific validity, accuracy, and completeness.

We will send an acceptance notification to the **shortlisted** corresponding author via email. The technical papers committee will do its best to notify authors within two weeks of their submission.

- Authors **must** indicate their preferred presentation mode (Oral or Poster) on the submission form, but the Technical Papers Committee reserves the right to reassign the mode if necessary.
- Only **one** presentation (Oral or Poster) is allowed per registered and paid participant.
- Paper submission is a separate process from the conference registration. You must register for the conference in addition to submitting your paper.
- The presenting author **must** register and pay the conference fee by the deadline. Accepted papers will be withdrawn from the program if payment is not received by the deadline. We encourage authors to register promptly after receiving their acceptance notification.

### Important Dates

- 1st Call for Papers: July 16, 2025
- Submission Deadline: August 16, 2025
- Release of Accepted Papers: August 31, 2025
- Payment & Registration Deadline: September 15, 2025
- 2nd Call for Papers: August 31, 2025
- Submission Deadline: September 30, 2025
