QUARTERLY EXAMINATIONS SCHEDULE ADJUSTMENT FOR STUDENT-ATHLETES PARTICIPATING IN THE PHILIPPINE YOUTH GAMES BATANG PINOY 2025 NATIONAL CHAMPIONSHIPS

In light of the upcoming 2025 Batang Pinoy Competition on October 23 – 31, 2025, in General Santos City, which coincides with the scheduled Quarterly Examinations, it has been observed that our student-athletes are placed in a challenging situation that may affect both their academic performance and their participation in the said event.

To address this concern while ensuring fairness and academic integrity, the following measures are hereby advised:

1. Advance or Deferred Examinations

- Student-athletes officially representing the school or division in the Batang Pinoy may be allowed to take their quarterly examinations either before their departure or immediately upon their return from the competition.
- Subject teachers are encouraged to prepare alternative test sets or suitable assessment arrangements to facilitate this adjustment.

2. Provision of Academic Support Materials

- Teachers may provide review materials or summary notes to help student-athletes continue their academic preparation during available time before or after the competition.
- These measures aim to support the holistic development of our learners by balancing their academic responsibilities and athletic commitments.
